Our comprehensive quality assurance system is designed to meet all the requirements for ISO 9001-2015 Quality Management System which focuses on:

- *Our commitment to ensure total customer satisfaction through our operations*
- *The effective response to customer requirements in the most efficient and professional manner.*
- *Quality Control - Measurement through our quality objectives that focus on total customer satisfaction.*
- *Personnel development - enhancing the skills of our employees.*
- *Quality Assurance - We assure reliable services that meet the expected international standard requirements and adhere to local legislative requirements.*
- *Flexibility approach to assist clients wherever possible.*
- *Practicality to carry out the service notwithstanding all risks involved.*
- *Development of new strategies and working relations*

Triton Diving Services Ltd employees understand and fully commit themselves to adopt this policy in their operations.

The effectiveness of this policy is measured through our Quality Objectives, which together with the Policy, are reviewed on an annual basis to ensure continuing suitability and to ensure that our focus on customer requirements is maintained.
